SIMANTRO BEACH

Halkidiki, Kassandra

Information:

Simantro Beach Hotel distinguishes from the many Byzantine elements. The fact that it was built similar to the famous monasteries of Mount Athos leaves the guest under the impression that itself is a monastery. One can tell by its name, Simantro, which means «bell» in the Greek language and blends perfectly with the environment, architecture and history of the hotel. Wood and stone are also the elements which make a distinction.

The Simantro Beach Hotel is situated in the north-west side of Kassandra peninsula, in Sani area. It provides high standard services and great facilities to relax on your summer holidays.

Location:

Kassandra, Halkidiki

Facilities:
